

Bone-Biscuit

T3A2-A

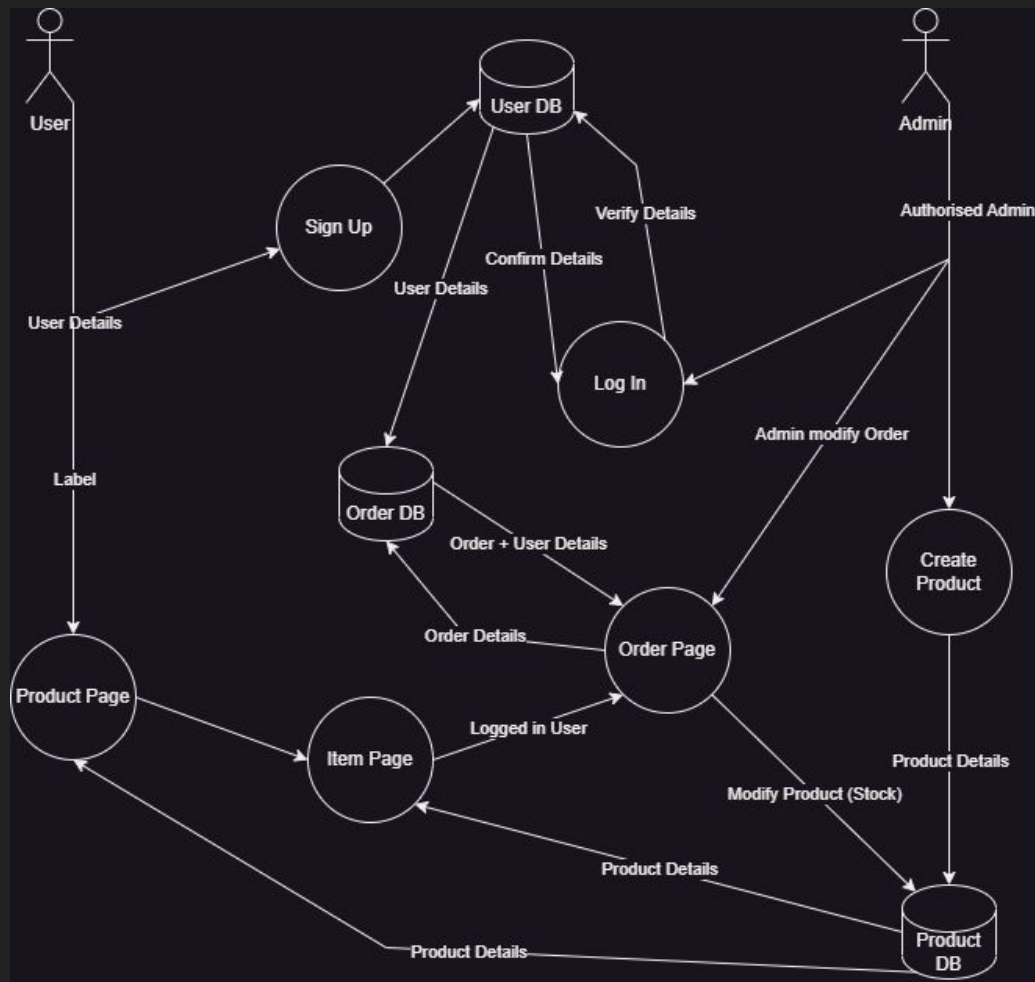

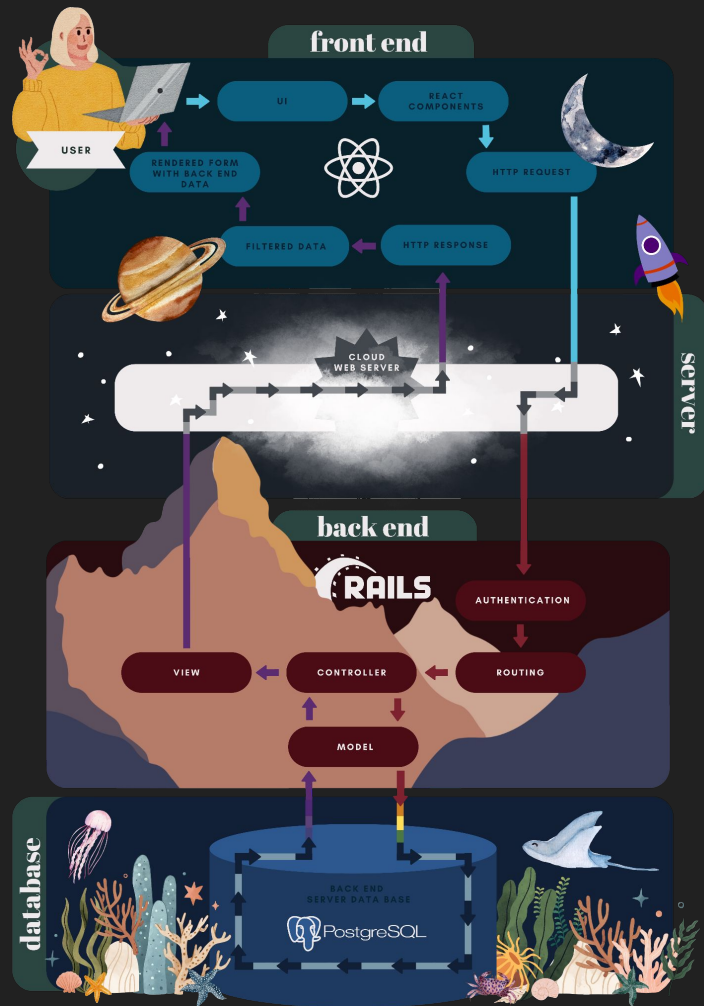

By PJ & Lily Noël

About Bone & Biscuit

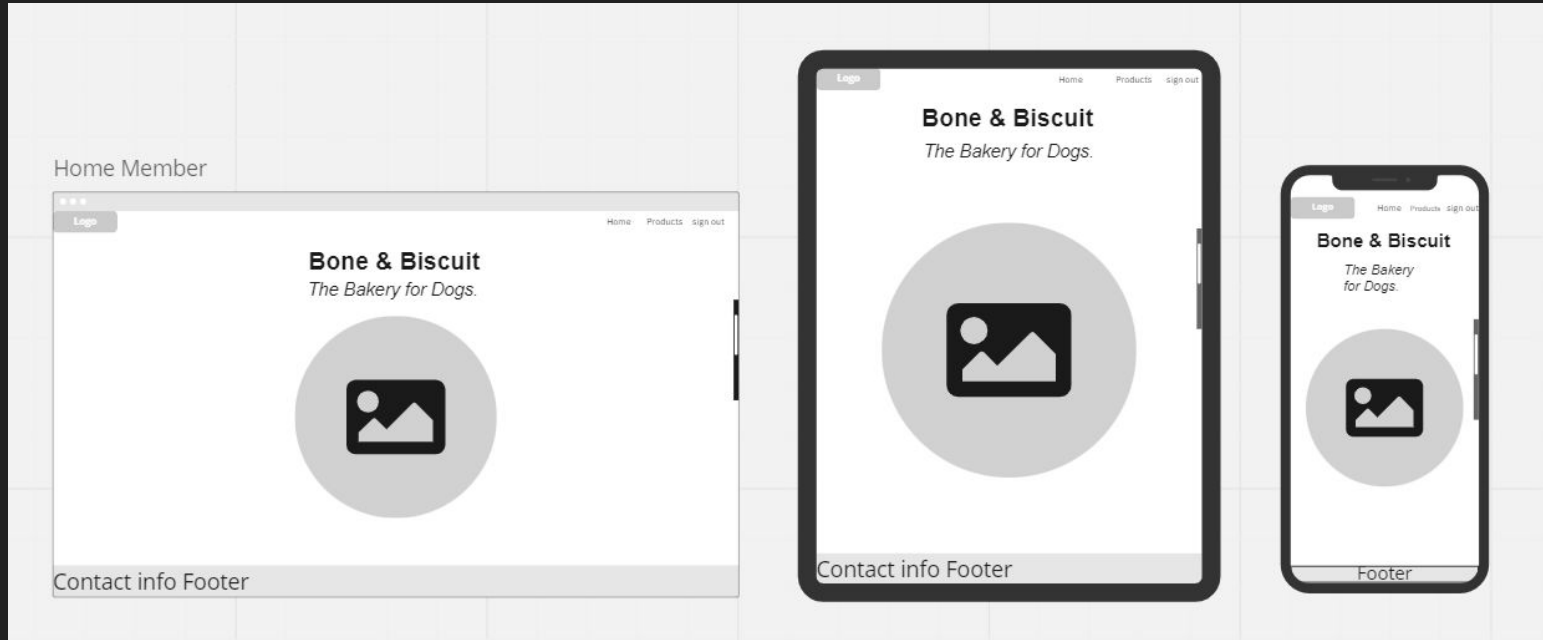

Bone & Biscuit is an online store for a local canine bakery specializing in baked biscuits and treats for dogs.

The purpose of this application is to provide a service for dog owners to both seek out and place an order for artisan dog treats.

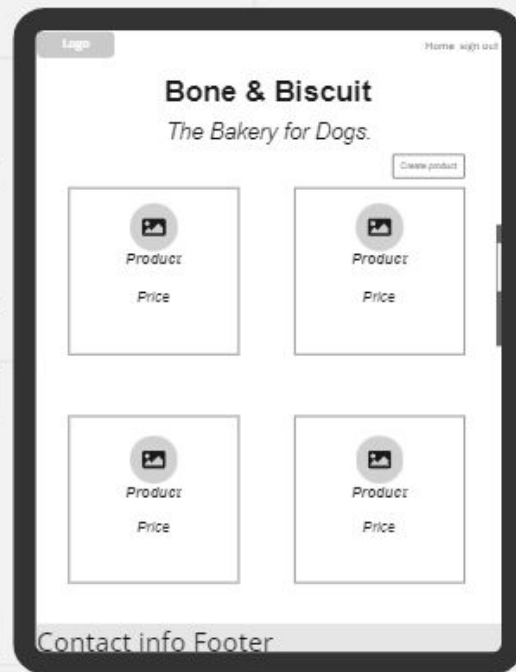

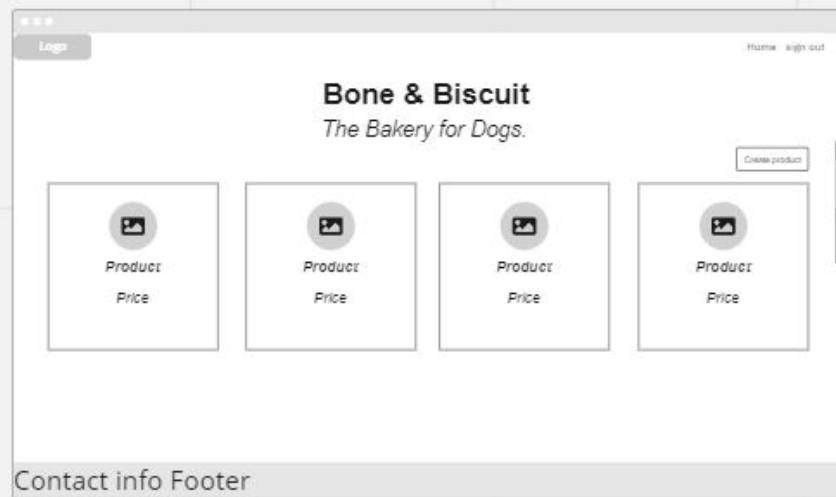

This application is geared towards consumers looking to place an online order of artisan dog treats which they can then pickup at the store's physical location.
